QUALITY SCREENS ASIA

Screen Maintenance and Cleaning Service

Dear Valued Customer,

Thank you for your purchase of our quality screens. Our screens use high quality materials and with proper care and maintenance should give many years of uninterrupted service. We recommend screens to be fully cleaned and serviced at a minimum intervals of at least 6 months especially for terrace screens in an outdoor environment where dirt, dust and debris can build up over time. We can also extend our screen maintenance service to internal screens if required.

During a full service and clean we will carry out the following.

** **Clear Terrace area**
** **Set Up cleaning equipment**
** **Deep Clean, Foam, Rinse (Jet-wash)**
** **Dry using blow-out tool (Blower or Compressed Air)**
** **Clean and clear Running Tracks**
** **Lubricate channels**
** **Check for proper alignment**
** **Check for smooth operation**
** **Make adjustments as necessary**
